

STRATCO OUTBACK®

OUTBACK CURVED ROOF

SHOW YOUR CONTEMPORARY FLAIR

The contemporary form of the Outback Curved Roof Verandah, Patio or Carport will add value and impart a sense of style and sophistication to your home.

The curved roof can span up to 6.6 metres wide in both Multispan and Clearspan designs. It is available as a freestanding unit or attached to the home.

MULTISPAN FOR ROOFING MATERIAL CHOICE

The Outback Multispan Curved Roof has purlins that are placed over the rafters in the roof. This supports your choice of cladding; from smooth Outback Deck, light and airy polycarbonate, or classic corrugated steel. Excellent if you want to achieve a very particular colour or light level.

CLEARSPAN FOR UNCLUTTERED CLEAN LINES

The Outback Clearspan Curved Roof minimises beams and rafters by using remarkably strong Outback Deck. This leaves the roof area clean and uncluttered with a ceiling-like appearance from beneath. Rooflites are available to brighten your lifestyle space underneath.

MULTISPAN for roofing choice including CGI or polycarbonate.

CLEARSPAN for smooth ceiling-like appearance using Outback Deck.
